

10 January 2020

Dear Parents

### **Extra-Curricular Clubs**

Below is information regarding the clubs being offered in the Spring Term. If your child would like to attend any of the clubs, please complete the attached form and return it to school by **Tuesday 14 January** along with any money if relevant. Any forms returned after this date will not be processed.

Again, the clubs are being offered on a termly rota starting in the week beginning **Monday 20 January** and will run for **8 weeks** (Three weeks of clubs before half term and five weeks after). All school staff led clubs and Art and Craft Club will finish at 4:15pm. Clubs run by other outside agencies will finish at 4:30pm.

**Please note that there will be no teacher clubs running on Tuesday 21 January. There will also be no clubs in either of the last weeks of each half term.**

You will be informed of the clubs to which your child has been allocated (as there are limitations of numbers to some clubs), along with details of where to collect them from. If permission is given on the return form, children in Years 5 and 6 will be able to walk home without being collected by an adult.

Please remember that, if children join a club, they are expected to attend each week unless the school office is notified by a parent or carer. We do prefer that, if children sign up for a club, they remain committed to attending on a weekly basis. In addition, some clubs can only go ahead if there are enough children signed up for it.

### **Additional Information**

**Multi-Sports**, led by Mr Blackham, offers an exciting opportunity for children to experience a range of different challenges and have fun whilst developing key skills. This is a fantastic opportunity for those in Key Stage 1.

**All football clubs** will be outdoors so, for their safety, it is essential that children have appropriate football boots, shin pads and outdoor clothing.

**Basketball Club** will run indoors when the weather is not conducive to playing outside.

**Multi sports / Fun games** will give children the chance to be active and to also play games that improve sporting skills such as catching, throwing, batting and fielding.

**Guitar club** will offer a taster course for those children who are interested in learning to play a musical instrument.

Finally, as well as the clubs attached, there are lunchtime activities on offer, including eCadets (invitation only), Recorders, Ukulele and Prayer Club. Permission is not required for these and pupils can just turn up.

**As before, we are pleased to be able to continue to offer children who are entitled to Pupil Premium funding a space at one paying club run by the external providers again this term. There will be no charge for attending the club selected for this term.**

We hope that your children find a club that they would like to join. Again, the successful running of our clubs depends on your support.

Yours sincerely

Matthew Gould  
Headteacher
