

# Juniper Education

## KS2 Parent Timetable

### Monday 27th April 2020

#### Out of this world - All about space!

9:00 - 9:30

**'PE with Joe' - Live PE session**

- Visit YouTube.com
- Search: The Body Coach TV
- Hit subscribe but no cost involved!
- You will then be notified when he goes live each morning at 9:00am

OR

10:00  
daily

**Battleready 360**

Workout every weekday morning at 10am with Ollie and Foxy, from Channel 4's SAS: Who Dares Wins [here](#)

Catch your breath - get a drink and discuss the day ahead. Include your child in the decision making as to what they would like to do today.

**Research Space**

- Research in books and online about an aspect that interests you, e.g. planets, space stations and astronauts.
- Note down 10 fascinating facts that you found out.

**Outdoor and relax time**

**NASA photo gallery**

NASA has made their entire photo gallery available online and copyright free! Visit their website [here](#)

- Why not search for pictures of the moon or look at photos of real rockets and astronauts in space?
- Explore this useful resource. Can you locate some images to go alongside your fascinating facts?

11:30 - 12:00

**Live kids dance classes with Oti Mabuse**

- Find the class live on Facebook and Instagram

**Lunch**

**Fascinating Facts**

- Think about how you are going to present your facts.
- Are you going to present them as a power point, video, information booklet or a recording?

# Monday 27th continued...

## Spelling

- Pick three unusual words from your fascinating facts. Make sure you know what they mean. See if you can memorise how to spell them.

Help to prepare tea.

17:30  
weeknights

### Jamie Oliver - Keep Cooking and Carry on

Easy-to-follow, super-flexible recipes with lots of useful swaps and tips to help you feed yourself and your loved ones. Let's keep cooking and carry on!

18:30  
Every Mon  
in April

### Puffin Storytime

Settle down for 20 minutes of storytime magic with some amazing authors or follow a fantastic draw-along from our illustrators. Watch live on Instagram or on YouTube [here](#)

### Moon Watch!

- Observe the moon each night this week.
- What language would you use to describe the moon at each of its phases?
- Note down any scientific words or phrases for the changing moon

## Tuesday 28th April 2020

9:00 - 9:30

### 'PE with Joe' - Live PE session

- Visit [YouTube.com](https://www.youtube.com)
- Search: The Body Coach TV
- Hit subscribe but no cost involved!
- You will then be notified when he goes live each morning at 9:00am

OR

10:00  
daily

### Battleready 360

Workout every weekday morning at 10am with Ollie and Foxy, from Channel 4's SAS: Who Dares Wins [here](#)

**Catch your breath - get a drink and discuss the day ahead. Include your child in the decision making as to what they would like to do today.**

### White Rose Maths - A global maths lesson

How to join in the #MathsParty

- At 10am go to visit the website [here](#)
- Choose your year group
- Watch the video
- Try the questions
- Tweet your solutions or ask questions using the hashtags #mathseveryonecandoathome and #mathsparty
- Email if you are stuck - [mathshelp@whiterosemaths.com](mailto:mathshelp@whiterosemaths.com)

**or work that your school has provided.**

### Outdoor and relax time

#### Moon Landing

- Watch Apollo 11's Moon Landing in Amazing Simulation [here](#)
- Imagine you have just landed on the moon. Jot down in thought bubbles all the emotions and feelings you might have. How could you present and illustrate them?

11:30 - 12:00

### Live kids dance classes with Oti Mabuse

- Find the class live on Facebook and Instagram

### Lunch

#### Keep practising your times tables!

- Practise your times tables for 15 - 20 minutes with [Times Tables Rockstars](#)

#### Be Internet Legends!

- Visit the website [here](#)
- The Be Internet Legends programme is designed to teach your child the skills they need to stay safe and have a positive time online. Your involvement at home can really help reinforce these key messages to help your child become more confident when exploring the online world.

#### Moon Landing

- Watch Apollo 11's Moon Landing in Amazing Simulation again [here](#)
- If you have some Lego why not build a rocket or a space station.

# Tuesday 28th continued...

Read a non-fiction book that interests you.

**17:30  
weeknights**

**Jamie Oliver - Keep Cooking and Carry on**

Easy-to-follow, super-flexible recipes with lots of useful swaps and tips to help you feed yourself and your loved ones. Let's keep cooking and carry on!

**Moon Watch!**

- Observe the moon each night this week.
- What language would you use to describe the moon at each of its phases?
- Note down any scientific words or phrases for the changing moon

## Friday 1st May 2020

9:00 - 9:30

### 'PE with Joe' - Live PE session

- Visit YouTube.com
- Search: The Body Coach TV
- Hit subscribe but no cost involved!
- You will then be notified when he goes live each morning at 9:00am

OR

10:00  
daily

### Battleready 360

Workout every weekday morning at 10am with Ollie and Foxy, from Channel 4's SAS: Who Dares Wins [here](#)

Catch your breath - get a drink and discuss the day ahead. Include your child in the decision making as to what they would like to do today.

### Research some music linked to Space

- How about Star Wars, Star Trek, Walking on the Moon [The Police], Space Oddity [David Bowie] or Rocket Man [Elton John].
- Which is your favourite? Can you explain why to someone else?

### TATE KIDS

- TATE KIDS has a wealth of ideas for budding artists. Try some out [here](#)

11:30 - 12:00

### Live kids dance classes with Oti Mabuse

- Find the class live on Facebook and Instagram

### Lunch

### Spelling

- Can you still remember how to spell correctly the eight phases of the moon?
- Can you write a short paragraph to explain how the moon has changed over the week? Don't forget to use some of the words and phrases that you have learnt.

### The alphabet physical challenge!

- Write down the letters of the alphabet and beside each one put a physical challenge. E.g. A = 5 star jumps, B = 10 hops, C = 2 push ups.
- You can repeat the same exercises for the different letters.
- Use this to spell your name.

Zoom, Facetime or phone a friend or family member  
Tell them what you have enjoyed and learnt this week.

Ask someone in your family to choose their favourite children's book to read to you.  
Get them to explain why they love it so much.

# Friday 1st continued...

**17:30  
weeknights**

**Jamie Oliver - Keep Cooking and Carry on**

Easy-to-follow, super-flexible recipes with lots of useful swaps and tips to help you feed yourself and your loved ones. Let's keep cooking and carry on!

**19:00  
Fridays**

**Try something different...Royal Opera House**

Watch every Friday night at 7pm. Keep an eye on Facebook for this week's premiere!

**Moon Watch!**

Observe the moon each night this week. What shape is it? How does it change? Can you use the language half moon or full moon? Can you find out what you call the moon if it isn't a half or full moon?
