### Pobble 365

Visit the [Pobble 365 website](#) and take a look at [this picture](#).

#### Story starter!

George had not worn his uniform for many years. Now that he finally did, the memories all came flooding back to him. Share your story with someone else.

### Outdoor and relax time

#### Get measuring!

- Measure the length of your humerus (the bone that runs between your elbow and your shoulder).
- Measure the length of your radius (the bone that runs from your wrist to your elbow).
- Measure the length of your tibia (the bone that runs between your ankle and your knee).
- Record the length in centimetres in a chart or table.
- Now take the measurement of other people in your house and put their measurements in the same chart or table.

Can you spot any patterns within the data? Are any of the bones similar lengths? Does the tallest person have the longest bones?

11:30 - 12:00

### Live kids dance classes with Oti Mabuse

- Find the class live on Facebook and Instagram

### Lunch

#### TATE KIDS has a wealth of ideas for budding artists.

- Take a look at their website [here](#).
- Make a friendship bracelet for a relative or friend, find out how [here](#).

#### Create your own Battleready 30 minute exercise routine.

- Practise it. Note the instructions.
- Teach it to someone else. Do you need to make any changes?
- Send your instructions or routine to someone else via email or zoom.

# Tuesday 12th continued...

## Be Internet Legends!

- Visit the website [here](#)
- The Be Internet Legends programme is designed to teach your child the skills they need to stay safe and have a positive time online. Your involvement at home can really help reinforce these key messages to help your child become more confident when exploring the online world.

## Read a non-fiction book on the body.
