

Autumn Term Week 3

We are so proud of all the children in Reception. They are settling into school really well and are a delight to teach. Well done everyone!

Next week we will be continuing our theme of 'Incredible me!' In Literacy we will be writing about who lives in our house and getting messy by doing some chalk writing. In Maths we will be practising our counting by counting 'dog biscuits' – linking to our book 'Odd Dog Out'. We will also be getting used to using Numicon –

a really amazing Maths resource that will help with our learning all year and throughout school. Our main

focus will continue to be supporting your child's social and emotional development through adult-led activities and child-initiated time.

On **Tuesday** afternoons we have our **PE** sessions. We plan to get the children to take just their shoes and socks off to begin. We will tackle the whole kit later in the term! To help, please ensure that your child's shoes are labelled and that they have practised taking their shoes and socks off and putting them on again.

For some creativity in the afternoons we will be drawing our very own Odd Dog Out! We will also be learning how to share our worries and making a class 'worry box' together for a special place to put our worries in.

Starting next week our school hours will be changing. Your child will need to arrive at school between 8:30am and 9am and be collected between 3pm and 3:30pm.

From Monday we will be starting to hand out reading books and reading records. To begin with these will be 'lilac' books which have no text. Tips for using these are; discuss with your child what you can see, what is happening in the pictures, make predictions, talk about how the characters might be feeling, talk about what sounds objects might make, discuss the settings of the stories, get used to holding the book correctly and turning the pages carefully. As soon as we feel that your child is ready for words, we will move them on.

Reminders

PE – Tuesday afternoon (no PE kit needed just yet, just shoes labelled)

Thursday – hand C.H.A.T books in

Friday C.H.A.T books sent home

Reading books – these will be sent home next week

Login details – inside your Reading Record we have attached your child's login details for Mathletics and Bug Club. These are two websites that we subscribe to, this will assist with your child's learning at home.

Timings – Arrival: 8.30-9.00am

Home time: 3 – 3:30pm

Have a super weekend everyone!
