

Autumn Term Week 6

Next week we will be focussing our learning on 'The Rainbow Fish' story. We will be listening out for the sounds we have learned in Phonics and colouring in the Rainbow Fish's scales when we spot them, as well as describing an underwater scene from the book and developing our vocabulary.

In Maths we will be celery-stamping shiny scales onto a rainbow fish using numbers up to 10 and finding the matching numeral. We will also be using 2D shapes to create our own Rainbow Fish.

In the afternoons we will be having a circle time to discuss what makes a good friend and we create our own underwater scene using wax crayons and a paint wash.

Well done to everyone who had their flu vaccinations this week – they were all very brave and sensible.

Information

PE – Tuesday afternoons (no PE kit needed yet)

Lunches – Pizza Tuesday and Fishy Fridays will be available each week.

Have a lovely weekend everyone!
