

## Autumn Term Week 7

The children have loved our topic this week so next week we will be continuing our learning on The Rainbow Fish. In Writing we will be working on our pencil control as well as drawing and labelling our favourite character from the story. In Maths we will be counting tentacles onto the wise octopus and having a splash around exploring the capacity of different containers. We will be working as a class to make a large collage version of the Rainbow Fish, thinking carefully about what textures we are choosing for different parts of his body.

We have loved seeing the different ways you have been using your Phonics flashcards at home, it is brilliant to see the children using them in such practical ways! We love reading at John Fletcher and we want everyone to reach their full potential, so practising Phonics and reading at home really helps to build confidence and skills. Thank you.

Your child should have brought home their school photograph this week, if you have not received one please let us know.

### Information

PE – Tuesday afternoons (no PE kit needed yet)

Lunches – Pizza Tuesday and Fishy Fridays will be available each week.

Thursday – C.H.A.T book hand in day.

Have a wonderful weekend everyone!
