

## Year 6 Homework Project

The theme for this project is linked to our Topic of World War 2.

You may work with a small group (up to 3 people) or on your own to create a presentation/ project about a chosen aspect of World War 2.

### You may select from

Life at home  
Wartime technologies  
The role of women during the war  
Family history study  
D Day  
The Armed Forces

*Your project can be either a **PowerPoint presentation** or in **written form** and may include **models**. Think about how you could incorporate aspects of Maths into your project (e.g. graphs, statistics).*

Your project will require you to undertake some research.  
These sources can include:

Photographic/picture evidence  
Information books  
Internet

**Completed projects are to be submitted by Friday 8<sup>th</sup>  
November 2019**
