How else do we keep you safe in school?

Before adults are allowed into school.
They have to have checks to make sure they are safe to be in school.

Can you think of how you know that these checks have been made?

Visitors

Although we haven't been having many visitors in school recently we also do checks for them too.

Before coming to school, visitors let us know and we send them a special leaflet about keeping safe in our school. They also have to use the track and trace app to keep us Covid safe.

Staff

People who work at our school have had the special checks done and they wear these lanyards around their neck which also has their photographs on them.

Colossians 3:23

How else do we keep you safe in school?

Visitors

All visitors go to the main office and Mrs Mackey, Mrs Smith or Mrs Hynds will carry out any checks and give them a lanyard like the ones below.

An adult wearing this lanyard can walk around the school without a staff member.

An adult wearing this lanyard must always have someone from our school staff with them.

Visitors

There is another type of visitor that we may have in school. These visitors are call Governors and they help Mrs Cross. They wear black lanyards that look like this.

An adult wearing this lanyard can walk around the school without a staff member.

IMPORTANT

All adults must wear a sticker or lanyard. Also adults should not be using their mobile phones within school unless DSLs need to use it for an emergency.

If you see a visitor in school without a sticker or lanyard or on their phone, please tell an adult in your year group straight away!

How do you keep safe online?

It is really important when you are using computers, laptops, tablets, Xboxes or smart phones that you are staying safe (in school or at home).

Colossians 3:23

Do you remember the advice from the posters in your classroom?

“Whatever you do, work at it with all your heart”,
Colossians 3:23

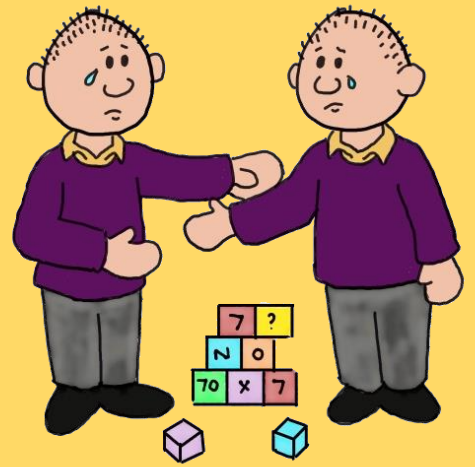

Using technology safely and keeping safe.

It is against the law for anyone to take, look at or send pictures of people who are naked (have no clothes on).

If you are asked to do this make the person aware that you know it is illegal and must tell a trusted adult.
DO NOT AGREE TO THIS.

"Whatever you do, work at it with all your heart",
Colossians 3:23

How can the adults in school help keep you safe online when you are home learning?

If you can take a screen shot of what is making you feel unsafe that is brilliant.

You can then send this to the teachers on Seesaw or get a grown up to email it.

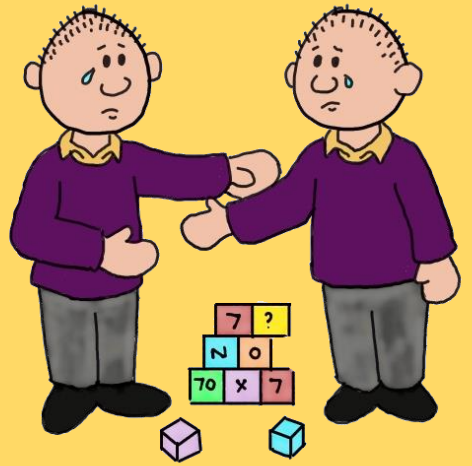

If it is a message from a group leave that group or block the person.

Good and bad touch

- Touch can be **good** or **bad**.
- People touch you for different reasons.
- Sometimes touch feels bad, but is necessary.
- You should never be asked to keep secrets about touch.

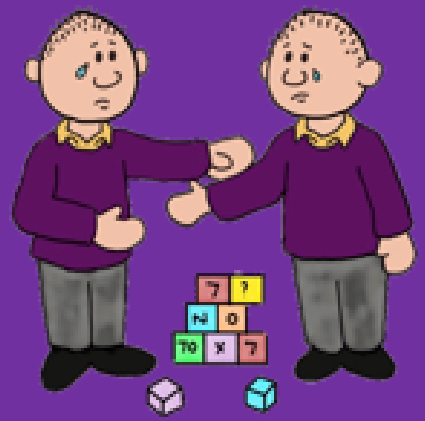

This can also be your swimsuit area.

What is bullying?

Bullying (including Cyberbullying) Bullying is defined as

"behaviour by an individual or group, usually repeated over time, which intentionally hurts another individual or group either physically or emotionally".

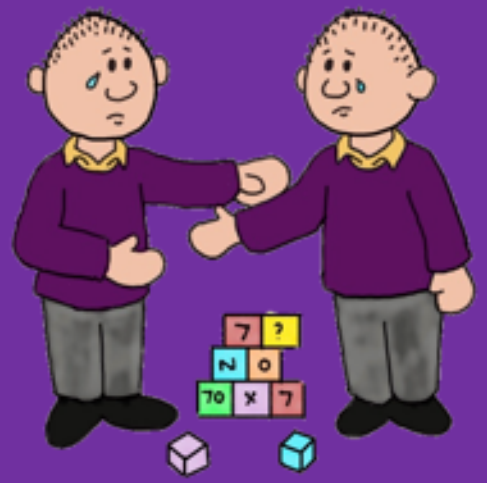

“Whatever you do, work at it with all your heart”,
Colossians 3:23

What is bullying?

Bullying often starts with little events and it is behaviour that hurts someone else – such as

- name calling,
- hitting, pushing,
- spreading hurtful and untruthful rumours,
- threatening or undermining someone;
- mocking;
- making offensive comments;
- taking belongings;
- inappropriate touching;
- producing offensive graffiti;
- or always leaving someone out of groups.

It can happen anywhere - at school, at home or online. It's usually repeated over a long period of time and can hurt a child both physically and emotionally.

“Whatever you do, work at it with all your heart”,
Colossians 3:23

Bullying can also be known as
Peer on Peer Abuse.

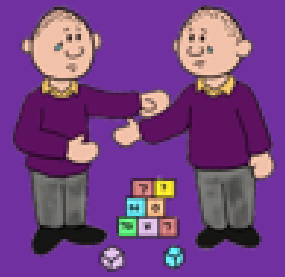

Peers are the children in your class or year group.

Any of the behaviours will be taken seriously and will not be tried as 'banter' or people just joking.

"Whatever you do, work at it with all your heart",
Colossians 3:23

Types of Bullying

'Cyberbullying': involves sending inappropriate or hurtful text messages, emails or instant messages.

Racist and Religious Bullying: hurtful behaviour that makes a person feel unwelcome, left out or worthless because of their colour, ethnicity, culture and faith community.

Homophobic Bullying: targets someone because of who they love if they are not the same gender as the person.

“Whatever you do, work at it with all your heart”,
Colossians 3:23

IMPORTANT

At John Fletcher of Madeley Primary School we do not tolerate any of these behaviours which we have discussed which are linked to bullying.

If you feel that you are being bullied, please tell an adult straight away so they can help!
