Year 5 01/04/2022

This week in English we have been writing texts about Cinderloo in a chronological pattern. We have researched and gathered information about what happen, why it happened and the conclusion to the event. We used a variety of describing words in our text, including adjectives and have also included modal verbs and adverbs of possibility.

In maths, we looked at how to read, find and drawn angles using a protractor.

In science, we are continuing to observe and learn about the life cycle of a caterpillar. The metamorphosis has begun and in the next week or so we will a few butterflies flying around their butterfly garden.

Have a lovely weekend

Miss Russell / Mr Baker
