Keeping Everyone Safe Question -Answer

What is bullying?

What is bullying?

Bullying often starts with little events and it is behaviour that hurts someone else – such as

- name calling,
- hitting, pushing,
- spreading hurtful and untruthful rumours,
- threatening or undermining someone;
- mocking;
- making offensive comments;
- taking belongings;
- inappropriate touching;
- producing offensive graffiti;
- or always leaving someone out of groups.

It can happen anywhere – at school, at home or online. It's usually repeated over a long period of time and can hurt a child both physically and emotionally.

Keeping Everyone Safe **Answer**

Using technology safely and keeping safe.

It is against the law for anyone to take, look at or send pictures of people who are naked (have no clothes on).

If you are asked to do this make the person aware that you know it is illegal and must tell a trusted adult. **DO NOT AGREE TO THIS.**
