Year 6 SATs

Dear Parents / Carers,

Year 6 will be taking their Standard Assessment Tests (SATs) from Monday 9th May until Thursday 12th May 2022. The tests will be completed as follows:

Date		Activity
Monday	9th May 2022	English grammar, punctuation and spelling papers 1 and 2
Tuesday	10th May 2022	English reading
Wednesday	11th May 2022	Mathematics papers 1 and 2
Thursday	12th May 2022	Mathematics paper 3

The children will be given our full support and guidance to ensure they achieve their very best to show all their hard work over the course of the last few very challenging years. Children with specific identified SEND needs will have extra support adhering to the SATs access arrangement guidance (see link below).

In order to support the children, we will be holding a practise week next week (week beginning 3rd May 2022), completing practise test papers under the same test conditions as they will be the following week for the actual tests. The practise week will help the children get used to which classroom or workspace they will be completing the papers and with which adults will be supervising them. The practise week will give children the chance to find out what it will be like so that it does not feel strange when it comes to sitting the SATs for real.

In order for us to complete the practise week and SATs week, can we please ask for your full support and cooperation to ensure that your child arrives to school **on time every day**. SATs are statutory for all Year 6 children. If your child arrives late, please report to the office so that they can still complete their test. There is further guidance for children who miss their test and arrangements made for them to complete them later in the week, which can be found at the following link:

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/1062883/2022_key_stage_2_assessment_and_reporting_arrangements.pdf

To further support your child, please make sure they are fully rested, get plenty of sleep and eat well for the next few weeks. We are offering additional opportunities in school to complete our final revision tasks.

If you wish to discuss the SATs arrangements further, please do not hesitate to contact us.

Yours sincerely,

The Year 6 Team

Mrs Welsh Mrs Wust Mrs Constantine Mrs Gladwyn
