Name:…….

This week's homework is requested by Year 5 pupils, they want to write a short story about a magical place at the bottom of the garden. This could be where Minpins live (remember them from year 4). You need to write a beginning (Who, What, Why, Where, When), a middle to include a problem (such as the little people disappearing) and an ending (you save the day). Remember to include adjectives, frontal adverbials and ambitious vocabulary.

Maths Homework

Every week part of the maths homework will be playing Times Table Rock Star, Battle of the Bands between 5R and 5BK. The winners will be announced every Friday.

The other part of the homework is to complete the work allocated on Mathletics for you.

The spellings will be tested the Friday after half term.
