Name:…….

This week's homework is to complete the task below which looks at present and past verbs.

Verb Tenses

The **past tense** describes something that happened in the past. For example, I baked or I was baking.	The **present tense** describes something that happens regularly or that is happening now. For example, I bake or I am baking.	The **future tense** describes something that will take place in the future. For example, I will bake.
