Year 4

This week Year 4 have been working on describing Medusa a character from Ancient Greek Mythology. They have continued to use excellent vocabulary in their descriptions, including the use of adjectives, adverbs and expanded noun phrases.

In maths we have continued on working extremely hard on place value including comparing and adding and subtracting in 1000's.

The children have continued improving their balancing and cricket skills in PE and have learned how to a throw and catch the ball correctly using the cup hand method.

In science they have continued to learn about sound and have carried out investigation on the parts of the ear and their functions. In addition we acted out a mime to enhance our understanding on how we hear.

Have a lovely weekend

Miss Brotherton/ MR Baker
