Our week in Year 1 and 2 – 14.10.22

This week we have worked extremely hard in school. In Maths, Year 1 and 2 have started the Addition and Subtraction unit. Year 1 and 2 have been looking at number bonds this week. Year 2 have been learning their number bonds to 100 and Year 1 have been learning their number bonds to 10.

In History this week, we have been looking at Queen Victoria and thinking about similarities and differences between her and Queen Elizabeth II

In Science, the children are continuing their investigations into materials and why some materials are waterproof.

In Art club this week, we have been creating Autumn wreaths using tissue paper, stickers and string.

"I have used tissue paper to make flowers and leaves."

Just a reminder, homework is due in on Monday 17th October. Reading books and diaries should be in school daily.

Spelling tests take place on a Monday.

Have a lovely weekend. 😊
