Our week in Year 1 and 2 – 21.10.22

In Maths, Year 1 and 2 have been continuing their Addition and Subtraction topic. Year 1 have been practising adding using part whole models. Year 2 have been adding three 1-digit numbers.

In History this week, we have been learning and remembering more facts about Queen Victoria and her family tree.

In Science, the children have looked at materials that bend, squash, stretch and twist.

In Gardening club this week, the children have read a story called 'Root' about flowers flourishing. The children have planted poppy seeds.

"We have been planting our seeds. We love gardening club."

Homework will go out on Monday 31st October.

All children in Year 1 and 2 have worked extremely hard this half term. We are so proud of them all.

Have a lovely half term. 😊

The KS1 Team
