Our week in Year 1 and 2 – 04.11.22

In Maths, Year 1 and 2 have been continuing their Addition and Subtraction topic. Year 1 have been subtracting 1 digit up to 10. They been have been using their knowledge of fact families to help them.

Year 2 have been adding and taking away ten from different numbers. We have been using practical equipment to help us.

In History this week, children have been discussing jobs Victorian children might have had.

In Science, the children have looked at materials that bend, squash, stretch and twist.

In Cooking club, the children made fruit kebabs using strawberries, grapes, apples, mangoes and pineapple.

"We have been made our fruit kebabs. I use strawberries and apple."

Reminder: Class 1/2N and 1/2 P's school trip to Blists Hill is Thursday 10th November.

Class 1/2 S and The Nest's school trip is on Friday 11th November.

Please ensure parental consent has been given for children to go on the trip.

All children need to have waterproof coat and wear sensible footwear (e.g. trainers) as we will be walking to the Museum and back.

Homework is due on the 7th November.

Spellings will take place on Monday the 7th November.

Have a lovely weekend. 😊

The KS1 Team
