Our week in Year 1 and 2 – 09.12.22

In Maths, Year 1 and 2 have been learning about 2d and 3d shapes. They have been naming and recognising a variety of shapes.

In science this week, children learnt about natural and human-made materials. They identified these different materials and then sorted them accordingly.

This Tuesday the children performed in the Christmas nativity 'A Midwife Crisis'. We are so proud of all the children. They were amazing! Thank you so much for all your continued support in helping children learn lines and getting costumes ready. It's very much appreciated.

"I loved learning the songs and dressing up for the play."

Reminder:

Homework and spellings will be sent home on the 12th December
