Our week in Year 1 and 2 – 13.01.23

In Maths this week, Year 1 have been continuing to practice counting to 20. In particular, they have been looking at how the numbers are made e.g., 13 is made of one ten and 3 ones. In Year 2, the children are continuing to look at money. This week we have been using coins and notes to make amounts. We have also been comparing amounts of money to see which is greater than and less than.

In Science this week, children have begun their new topic 'Animals including humans'. We have looked at different types of animals such as mammals and birds. We were able to look at the Wildlife Trust's live webcams of nesting birds.

"Reverend Iain talked to us about what happens at church. He also showed us the font. "

In R.E this week, classes 1/2 S and 1/2 P visiting St Michael's Church to learn features of a Christian Church and what happens there.

Next week 1/2 N and The Nest will visit the church.

Reminder:

Homework and spellings will be sent home on Monday.
