Your how-to-guide and tally chart

Big Garden Birdwatch

27–29 January 2023

Taking part is as easy as 1, 2, 3

1. **Count the birds you see in your garden, from your balcony or in your local park for one hour between 27 and 29 January 2023.**

   This chart shows some of the birds you might see. Where we don't show male and female birds, the sexes look similar, but are not always identical. Use the tally boxes to help record and count the birds you spot. You'll find lots of tips on identifying birds as well as their calls at rspb.org.uk/birdwatch

2. **It's easy to count the birds you see, if you follow these simple rules.**

   Only include birds that land, not those flying over.Count the highest number of each species you see at any one time, otherwise you could count the same bird twice. For example, if you saw a group of four starlings, and towards the end of the hour you saw two starlings together, please record four as your final count.

3. **Then tell us what you saw at rspb.org.uk/birdwatch**
   OR complete and send us the print-from-home form.

   Whatever you saw – even if nothing at all – please let us know. The more people that submit their findings, the better picture we will have of how garden birds are faring.

   If you are unable to submit your results online, please complete and send us the print-from-home form.

RSPB **Big Garden Birdwatch**

27–29 January 2023

What will you see?

Enjoy an hour in nature and count the birds in your garden, from your balcony or in your local park.

Take time out for nature, and you!

How to take part.

1. Count the birds for one hour in your garden, from your balcony or your local park between **27 and 29 January 2023.**

   Only include those that land, not those flying over. Count the most birds of a particular species you see at any one time. So, if you see a group of eight starlings, but later see six together, please write down eight as your final count.

2. Submit your results by **19 February 2023**. Online is the best way to do it, as it's quick, easy and saves us money, so we can spend more on saving nature. Go to our website at **rspb.org.uk/birdwatch**, and using the code **BH30**, tell us what you saw. Remember even if you saw nothing, it still counts.

If you'd rather send us your **results by post**, send this completed form to us in an envelope addressed **FREEPOST RSPB BIG GARDEN BIRDWATCH** by **14 February 2023**. This is a short address, but it will definitely reach us.
