KS2 FRIDAY ENRICHMENT AFTERNOON

Dear Parents/Carers

We are delighted to say that we will be continuing to hold an enrichment afternoon every Friday from 2.30 in school for KS2 children. This means that all children will access a free extra-curricular club each week. This will greatly support our children in their Children's University goals.

We would love the children to have their first choice in club, however, as you know there will need to be caps on numbers per club for organisational and safety reasons, with some clubs allowing for more children. Clubs may change as the year goes on, and more outdoors will be offered in the summer term. Children now have a chance to change if they wish.

Please consider the following clubs carefully and note down your child's first three choices. We will allocate your child a club anyway, if we don't receive a response. We hope they will really enjoy these experiences.

Thank you so much for your support,

Mrs Cross
