Year 4

This week, Year 4 have started learning about biographies, beginning with what is a biography is and the features of this type of text. We looked at two biography extracts form Usain Bolt and Roald Dahl and noted the facts and information from these, ready to start to write an introduction.

In maths we have been working on our division skills and have been learning how to divide using informal and formal methods.

Multiplication National Assessment

Remember to practice your times tables using the link below. The more you practice the better you will become.

https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check

In science this week we have continued to learn about 'States of matter'. We looked at Gases and have continued carrying out investigations to further our understanding of this state of matter. We learned that air has a mass, and that carbon-dioxide is heaver that air and RAISINS can float due to gas acting like a floating device.

Residential Visit: ARTHOG

Over the next couple of weeks we will be having a meeting reference Arthog to impart information about the trip. What's happening, what to bring etc. You will be happy to know that the cost has come down a little bit below the £175 we stated earlier. More information to follow!!!

Have a lovely weekend

Miss Brotherton/ Mr Baker
