Our week in Year 1 and 2 – 24.03.23

In Maths this week, Year 1 have exploring length and height. They have been learning to measure objects using a ruler in centimetres.

In Year 2, the children have been continuing to explore mass and capacity. The children have been comparing the weight of objects. Children have also been introduced to capacity and been identifying whether containers are full, nearly full, half full, nearly empty and empty.

In Science the children have been looking at how to keep healthy in their 'Animals including humans' topic. We have looked at healthy eating and how to have a balanced diet.

Reminder:

Homework and spellings will be sent home on Monday 27th March.
