Spellings

Task 1

Turn to the back of your book.

1. Copy out spelling list carefully into your book.

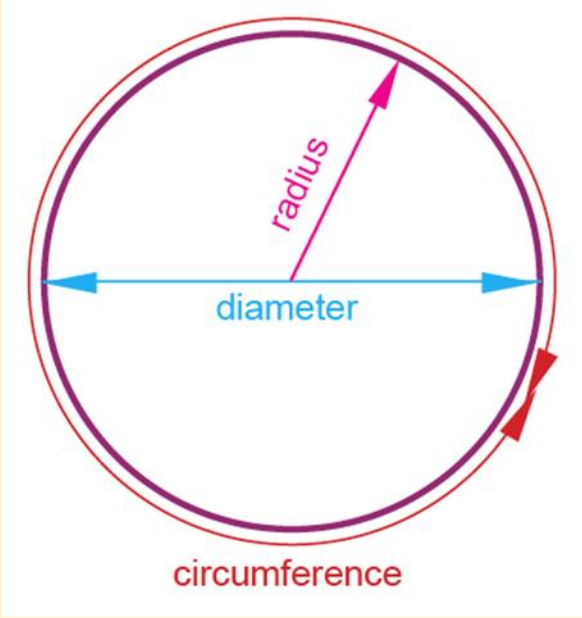

Group 1

information
situation
nervously
suddenly
quickly
incredibly
simply
gently
dramatically
basically

Group 2

vicious
precious
conscious
delicious
malicious
suspicious
gracious
spacious
ungracious
auspicious

Handwriting

A circle contains a radius, circumference and diameter:

Circumference = the length of the edge of the circle.

Radius = length from the circumference of a circle to its centre.

Diameter = a straight line going through the centre of a circle connecting two point s on its circumference.

To find the mean of a set of numbers we add all the numbers together and then divide your total by the amount of numbers there were, e.g.

1 + 5 + 6 = 12

12 ÷ 3 = 4

So the mean is 4

“*Whatever you do, work at it with all your heart*”, Colossians 3:23

Reading

https://files.schudio.com/ryeprimaryschool/files/Year56Term4/English/Rain_Player_book.pdf

Curl up with a good book, newspaper or magazine and enjoy reading.
