Year 4

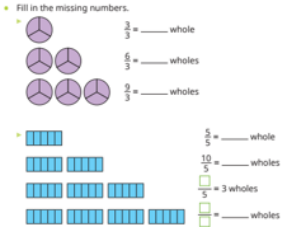

This week, Year 4 have been learning about poems in particular Haiku texts, we looked at the features and the structure of this Japanese poem. Each traditional poem consists of 3 lines and a syllable formation 5-7-5 and we have included nouns, adjectives, verbs and adverbs to make our poems interesting.

It is in Japan

There is blossom on the trees
And birds are flying

In maths, we have continued learning about fractions. We have learned about proper, improper and mixed number fractions and how to convert between them.

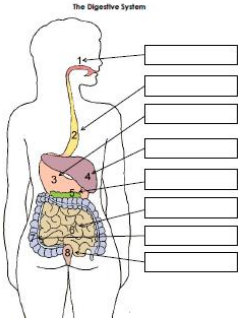

Multiplication National Assessment

Remember to practice your times tables using the link below. The more you practice the better you will become.

https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check

The assessment is fast approaching

In science, this week we moved on and have started to learn about our digestive system. This included what journey our food and drink take when we eat it. We discussed the parts (organs) of the digestive system and their functions.

Residential Visit: ARTHOG

We are in the final arrangements with only a week or so before we go. A letter will be sent out shortly to go over the arrangements and what items to bring etc. However, a kit list is shown below.

Have a lovely weekend.

Miss Brotherton/ Mr Baker
