Our week in Year 1 and 2 – 12.05.23

In Maths this week, Year 1 have just started their Fractions unit. They have been looking ½ of shapes, objects and amounts.

In Year 2, the children have started their maths unit on Time. The children have been recapping o'clock and half past. They have also been looking at quarter past and quarter to. They have been practising recognising a range of different times.

In Science this week we have continued to focus on our topic 'Plants'. The children have been looking at how to keep a plant healthy. All of the children have planted their own runner beans and will care for them in school until they can take them home at half term.

The children have all worked hard this week and we are really proud of them all.

Reminder:

For homework this week please ensure your child is reading their reading book.

No spellings or maths homework due to Year 2 SATS.
