Our week in Year 1 and 2 – 19.05.23

In Maths this week, Year 1 have been completing their Fractions unit. The children have been finding out ½ and ¼ of a shape or amount.

In Year 2, the children have continued their maths unit on Time. The children have looking at how the intervals on a clock go up by 5 minutes. They have using clocks to practically show the time and increase their confidence.

In Science this week we have continued to focus on our topic 'Plants'. The Year 1 children have been learning about deciduous and evergreen trees and how they can recognise them. The Year 2 children have been introduced to perennial and annual plants. We also walked around our school grounds to see what trees we could find.

Year 2 SATs will continue next week.

Reminder:

For homework this week please ensure your child is reading their reading book.

There is no spellings or maths homework due to Year 2 SATS.
