Year 4

This week, Year 4 have been looking at our spellings, punctuation and grammar. We have been revising different elements such as determiners, verbs, adverbs, nouns, adjectives and prepositions.

In maths, we just finished our fractions, we now understand what a fraction is, what a whole as a fraction is and what a mixed number is in relation to a fraction. We then moved onto recognising tenths to help us to move on to learning about decimals.

Multiplication National Assessment

Remember to practice your times tables using the link below. The more you practice the better you will become.

Residential Visit: ARTHOG

The Arthog experience was an experience and the feedback from the children was amazing. They totally enjoyed all the activities and said that they can't wait until Year 6. The staff from Arthog were extremely impressed with the children's positive attitude, teamwork, communication and all round give a go approach saying that they were one of the best Year groups they have had. Making all the staff very proud. Well done Year 4.

NOTE

On Tuesday Year 4 will having their class photograph taken and need to come to school in their school uniforms and bring their PE kit in a bag.

Have a lovely weekend.

Miss Brotherton/ Mr Baker
