<u>30.06.23 - Year 1 and 2</u>

This week in school it has been assessment week, all the children have worked really and tried their best. We are so proud of them all.

This week in maths, Year 1 have been practising their arithmetic skills such addition, subtraction, division and multiplication.

In Year 2, the children have been completing their unit on Position and Direction. The children have been describing movements and turns, using the language quarter, half, three-quarter and full. The children have been using shapes to describe turns and patterns.

Ron is on his way to school.

a) Draw arrows to show the path Ron could take to school.

Unfortunately, due to weather our sport's day was cancelled but all the children enjoyed our indoor picnic with their grownups and classmates.

Thank you to all that attended.

- Spellings will be sent out on **Friday.**
- P.E. for 1/2P will be on **Wednesday** and **Friday.**
- P.E for 1/2N and 1/2S will be on **Monday** and **Thursday**.
