Our week in Year 2 – 10.11.23

This week has been a busy first week back. The children have worked really hard and were all so respectful for our Remembrance Day assembly.

In Science this week, the children have taken part in a science investigation to find out which type of card bridge would be the strongest. The bridges were then tested by how many cubes they could hold before they fell.

The children had a fantastic time at our school disco.

Reminders:

- Homework and spellings will be sent home on **Friday 10th November**
