Christmas is

Christmas is a time for caring
Being at your best
Christmas is a time for sharing
Knowing you've been blessed
Christmas is a time for giving
Love is made of this
That's what Christmas is
Christmas is a joyful time
If you're the lucky ones
Some are blessed with gifts and trinkets
Others having none
Some have feasts up on the table
Others having crumbs
There are the haves and the have nots
And you could be either one
It's all about kindness
Love and compassion
Better to give than receive
That is a true fact
But those who don't know that
Well, they are the poorest indeed
And I hope you remember every December
That bright shining light from above
The promise from God's lips
The greatest of all gifts
Wrapped up in His wonderous love (His wondrous love)
So rejoice in His glory
The great Christmas story
And to all that you're sharing in will (uh huh)
You go tell it with passion (oh)
Of love everlasting (lasting)
'Cause that's what Christmas is
Is a time for caring
Being at your best
Christmas is a time for sharing
Knowing you've been blessed
Christmas is a time for giving
Love is made of this
That's what Christmas is

Part of your homework for the next few weeks is to prcatice these songs

Sausage Rolls for Everyone

Build a fire and gather 'round the tree
Come and sing and dance to sausage rolls with me
Here we go, we are back
Trying to make history for charity
And may I introduce to you
Ed Sheeran and Sir Elton John
No pressure

Let's have a party, it's Christmas Day
Your mum's cooking turkey
But been moaning since yesterday
The presents are open and the bin bags are put away
Just until Boxing Day
Let's dance, Merry Christmas

Get to the kitchen for sausage rolls
Kids, drop your toys
And dance along to rock and roll
Everyone's here, and now the dog's got the trifle bowl
This is pure family goals
Let's sing, Merry Christmas (come on!)

The sausage rolls are on (yes, mate)
And our family are back, joined as one
We're having so much fun
While we're here
Can we all spare a thought for the kids who have none
Sausage rolls for everyone
(Aye, sausage rolls, come on)

Wishing that Christmas was here to stay
The last one was lovely, so I'm glad that it's come again
It won't be the same this year since loved ones have passed away
We miss them every day
Let's pray, Merry Christmas

Coming together for something good
We're singing in PJs, but we're helping the neighbourhood
We came back with sausage rolls just like you knew we would
And doesn't my mate look good
Oh yeah, Merry Christmas

I feel my hunger comes
Every time the oven turns on
Filled up with so much love
Every pound for this song goes to helping the people along
Sausage rolls for everyone (yes, mate)

It's Christmas time, sausage rolls and wine
We'll have a good night and a Merry Christmas
It's Christmas time, sausage rolls and wine
We'll have a good night and a Merry Christmas
It's Christmas time, sausage rolls and wine
We'll have a good night and a Merry Christmas
It's Christmas time, sausage rolls and wine
We'll have a good night and a Merry Christmastime
(It's Christmas!)
