

## Our week in Year 2 - 08.03.24

The children this week finished reading the story 'Vlad and The Great Fire of London.'

In Maths this week they have been practising dividing by 5.

This week we were visited by Leo and a representative from Young Carers. They talked to the children about what being a young carer means and Leo showed the children some circus skills and magic tricks. After school all children were invited to have a go and learn some different skills.

We celebrated 'World Book Day' this Friday. The children completed a range of reading activities as well as reading a selection of books for pleasure. The children also got the opportunity to look at the books from the book fair.
