Keeping Everyone Safe

"Whatever you do, work at it with all your heart", Colossians 3:23

Who can you talk to in school if something is worrying you or you are upset?

Usually, I speak to my teacher.

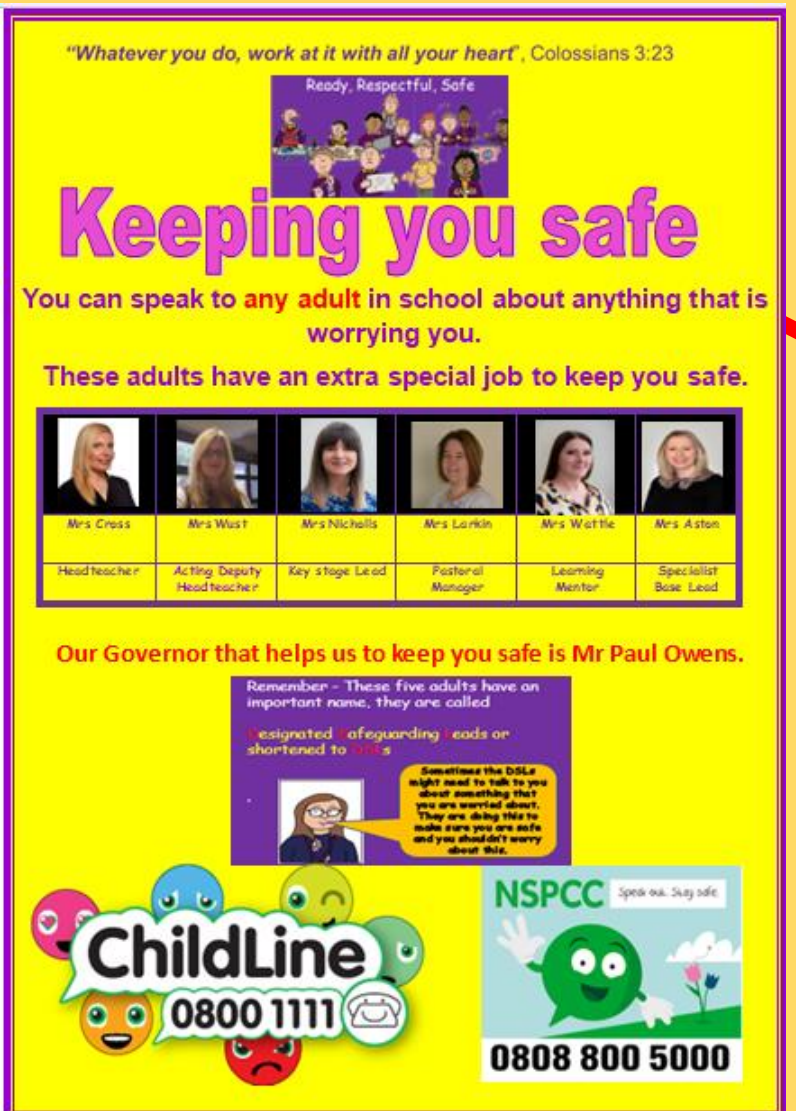

I talk to the lunchtime supervisors.

Can you remember the special name for the adults who have the extra special job of keeping us all safe?

"Whatever you do, work at it with all your heart",
Colossians 3:23

Our Keeping Safe Posters

You can speak to any adult in school about **anything** that is worrying you. Some adults in school are DSLs. This means Designated Safeguarding Leads. They are here to help keep everyone safe.

"Whatever you do, work at it with all your heart",
Colossians 3:23

Our Keeping Safe Posters

There are 6 DSLs in school. Their photographs and names are on the posters around school.

Can you find the posters in your class and area?

If you need more, ask us.

Although you will see us around school, we have rooms that we may sometimes ask you to come to for a chat:

- SLT Office
- Learning Mentor Office

You can come and speak to us here if you want to – remember to tell your teacher where you are going! If no one is there, there are postcards to write on to let them know you would like a chat. Don't forget to write your name on!

How else do we keep you safe in school?

Before entering the school building, Reception staff have checks that they need to carry out. Each visitor is given an information leaflet. All adults in school MUST wear a lanyard. The lanyard gives us information.

Staff lanyards are purple with yellow writing.
Staff have had special checks done before they can start working at our school.
The lanyard card will have the name and photograph on it.

How else do we keep you safe in school?

Adults should not be using their mobile phones within school unless DSLs need to use if for an emergency.

If you spot an adult without a lanyard on or using a mobile phone, tell an adult straight away – to keep us SAFE!

KEEPING SAFE ONLINE:

It is really important to keep safe when you are online: computers, laptops, phones, tablets, gaming devices (xbox / playstation).

IN SCHOOL:

Our school 'firewall' makes sure that we access safe and appropriate websites and we are acting safe online. **Everything we type and view** online in school is checked by Telford and Wrekin. Sometimes we are not allowed to click on certain websites.
