WELCOME TO YEAR 1

Hello

I am Mrs Nicholls and I can't wait to have you in my class - we are going to have a fantastic year! We have lots of different topics planned with plenty of exciting lessons!

Our learning in our Autumn term in Year 1 begins with a History topic, all about our local area of Madeley, materials and seasonal changes in Science and of course, our weekly Art / D&T work with Mrs Hawkins!

Our focus texts in the Autumn term will be Little Red Riding Hood, The enormous Turnip and Rapunzel. We will also be enjoying reading The Koala Who Could and The Bear and the Piano. We will focus on writing simple sentences to retell our familiar stories. In maths, we will focus on our place value and numbers to 10.

Our school day

Our doors open at 8.45am ready for 9.00am registers.

We finish at 3.15pm.

Please use the KS1 entrance.
