Newsletter 20/09/2024

As we have moved into week 3, the children are now settled in and now being applauded and praised on how they are presenting themselves in the classroom and around school. Once again, the children should be extremely proud.

In English, we have begun to write narrative texts using descriptive and ambitious words to describe setting and characters. The children have really enjoyed this and have produced marvellous descriptive pieces of work.

In reading, we have been reading extracts from 'holes' by Louis Sachar and have completed a number of comprehension tasks, finding information from the texts given and giving answers using full sentences.

In maths, we have continued looking at place value, looking at 10,000's, 100,000's and 1,000,000's using number lines comparing integers.

In science we are looking at light, how it is sourced, how it travels and it is reflected and have had many 'Light bulb moments' of realising understanding.

<u>Homework</u>
Homework will be sent home every Friday

<u>PE</u>
We have PE on Wednesday and Thursday. Well done to everyone who came to school in their PE kits this week!

<u>Future Information.</u>

Arthog: A meeting is proposed and just waiting for an idea date to have a final meeting just to recap on information given last meeting and final details before we start the adventure.

Have a wonderful weekend!

Mr Baker and Mrs Wenlock
