Year 3/4 Newsletter – 17.01.25

We can't believe that we have already completed the second week of Spring Term 1!

In Maths, we have been continuing to focus on our calculations (Multiplication and Division.) Please support your children at home to learn their times tables as this is knowledge that will really support them to succeed in future maths lessons.

We have thoroughly enjoyed learning our story, Nail Soup, in writing lessons. We have been orally rehearsing every day, creating story maps and added some actions to the story – all of which have helped us (including the teachers) to memorise the text. Next week, we will be changing different parts of the text, so that we can write a different version of the story.

Our reading lessons this half term are all linked to our History topic – *The Romans*. The children are really excited about this topic and have lots of wonderful questions that they want to find out about. Please ask your children about some of things that they have learnt as well as what they want to learn about.

There have been a few changes to our timetable this week.

- Year 4 have begun their swimming lessons. Please could we ask that children come to school with their swimming shorts/costumes on underneath their P.E kit. Please could you remind children that they should not have any clothes underneath their swimming shorts/costume so that they have dry clothes when they get out of the pool.
- Year 3 were visited by the fire brigade this week – please ask them what they have found out.
- We have also started our Music lessons which are taught by Miss Williams who is a music teacher and will be teaching us how to play a violin.

As you can see, it has been a very exciting and busy week!
