"***Whatever you do, work at it with all your heart***", Colossians 3:23

Friday 9th May 2025

Dear Year 6,

As we approach the last few days before SATS, it is vital that you use your time wisely. For your homework this weekend, see if you can do as many of these activities as possible:

- Spend quality time with your family
- Go outside and enjoy some fresh air
- Bake a cake
- Watch your favourite film
- Sing and dance without a care in the world
- Swim
- Ride a bike
- Paint a picture
- Make something
- Go for a walk in the woods
- Play your favourite sport
- Read a book
- Laugh until your stomach hurts
- Play a game
- Build a den
- See your friends
- Do something you have not done before
- Rest
- Enjoy family time with friends and family for the Coronation.

If you feel you really must, you may do some SATS revision, perhaps using Century, however this shouldn't be for more than one hour!

One thing you definitely must not do this weekend is worry; you are amazing, you've worked incredibly hard, and we could not be more proud of you! Try to think of any nerves you may have as excitement instead – be excited by the opportunity that is coming next week to show off everything you have learnt and the progress you have made. You know how much amazing progress you have made!

Whilst we want you to do your best, remember SATS are a tiny fraction of your time at John Fletcher of Madeley Primary School where we know that no matter what you are asked to do, you always work at it with all your heart.

Best wishes from Mr Baker, Mrs Wenlock and all the John Fletcher of Madeley staff.
