Year 3/4 Newsletter – 16.05.25

In Maths, Year 3 are currently working on the unit of fractions (adding and subtracting). In Year 4, the children are working on the unit of decimals. Recognising a tenth as fraction as well as a decimal.

This week, the children have been learning about and creating a toolkit for the features of a diary. The children then planned their own diary entry which they will write up next week.

This term, our Year 3/4 children have been diving into the fascinating world of the Ancient Greeks! Through interactive lessons, they've explored Greek mythology, daily life in ancient times, and the origins of democracy and the Olympic Games. During our 'Ancient Greeks' workshop the children enjoyed bringing history to life by creating their own Greek shield designs, learning about famous Greek gods and heroes. Their curiosity and enthusiasm are making this a truly engaging and enriching topic

Reminders:

- Spellings will be sent home on **Friday 16th May.**
- Spelling test will take place on **Friday 23rd May.**
- Homework has been added to century https://www.century.tech/ and it will be checked and marked on **Thursdays**. Logins have been sent home with children.
- Reading books sent out on **Friday 16th May.** Please ensure that comments are added to reading diaries and signed.
