Newsletter 17/10/2025

Once again extremely impressed with the Y6, getting awesome praise from all areas, from in school and by the Arthog staff and also included from a member staff from another school saying how wonderful the children are - polite, respectful and eager to interact with his presentation, asking appropriate and well delivered questions – we are very proud of them!

In English we are in throes of writing a suspense text in our Talk for Writing. We are beginning to include ambitious describing words to create the 'edge of the seat' suspense text.

In reading, we have continued completing several comprehension tasks, brushing up on our reading and VIPERS skills, finding information from the texts given and dictionary work.

In maths, we are looked at multiplication and division methods and how we can multiply and divide up to 4 digit and digit numbers.

We are continuing on our history/ geography work – we have been learning about evacuations of children from dangerous areas, where the children went and how they adapted to their new settings etc. Creating a letter to their parents/guardians explaining their journey and feelings during their adventures.

<u>Homework</u>
Homework will be sent home every Friday and is on Century.

<u>PE</u>
We have PE on Wednesday and Thursday. Well done to everyone who came to school in their PE kits this week!

<u>Future Information.</u>

Next Friday, we are having the chance to watch the movie 'Holes', which we have been reading as part of our reading lessons. A message has been sent home with a response required if you do not want your child to watch it.

Have a wonderful weekend!

Mr Baker
