Year 3/4 Newsletter – 14.11.25

This week, the children have been reading and performing poems for Remembrance Day. Working in small groups, they practised their readings, added actions, and then shared their performances with the class.

In writing, our focus has been on characterisation, using the story of *Little Red Riding Hood* to explore how characters are developed.

In Maths, Year 3 are continuing their unit on addition and subtraction, while Year 4 have just begun their new unit on area.

Our new History topic this half term is **Ironbridge**.

Homework

Just a reminder that homework is set weekly on Century, our online learning platform. All children's usernames and passwords have been re-sent home today. In addition to the online tasks, children also receive a paper copy of their spellings to practise in preparation for their spelling test on Fridays.

For your information

- Homework set on **Friday 14th November**
- Spellings test on **Friday 21st November**
