Dear Families

We had a blast performing to the children and staff of John Fletcher Primary School as part of our free"live experiences" offer to Shropshire schools. As you may know Music Heroes tutors visit the school for weekly lessons and, I am delighted to announce, that there are currently spaces for lessons in piano, guitar, ukulele and drums to the children of the school (all subject to sufficient numbers).

Music Heroes is an instrumental tuition service providing tuition to children in schools in Shropshire, Telford and Powys. Our ethos is to provide affordable tuition in a contemporary and fun style; teaching the songs that our students want to play whether that be something by Ed Sheeran, Queen or Billie Eilish or their favourite theme tune! Learning an instrument is much more fun when you love the music you're playing!! We can also prepare our students for Rock School Graded exams, if that is something they would like to do…but no pressure! The Music Heroes tutors are experienced musicians, performers and singer/songwriters. Please have a look at our website: www.musicheroes.co.uk if you want to find out more about each of us.

Music Heroes was founded and is managed by me, Gayle Kinsey in partnership with Dave Sylva. School provide the place, and we take care of everything else. All communications (including invoicing) is direct between Music Heroes and parent/student.

Invoices are sent out via email at the beginning of each half term. We are passionate about instrumental tuition being affordable, so we won't be beaten on price for one to one tuition. Lessons are £10.50 for 20 minutes (one to one). Small group lessons are £8.50.

We are pleased to offer every child that is interested a **free taster lesson.** If you would like to sign up for this, please fill in this short online form: https://forms.gle/n6TbtuR3tdGkdXqx5

As soon as we have sufficient numbers, we will be in touch to let you know dates and times for taster lesson.

Many thanks.
Gayle Kinsey
