HOW ELSE DO WE KEEP YOU SAFE IN SCHOOL?

Before entering the school building, Reception staff have checks that they need to carry out. Each visitor is given an information leaflet. All adults in school MUST wear a lanyard. The lanyard gives us information.

Staff lanyards are purple with yellow writing. Staff have had special checks done before they can start working at our school. The lanyard card will have the name and photograph on it.

A visitor lanyard is green with white writing. This visitor can work in our school without an adult needing to be with them.

A Governor lanyard is black with white writing.
Governors help Mrs Cross by visiting school and talking to us about our learning. They don't need an adult with them.

A visitor lanyard is yellow with black writing. This visitor can work in our school but will need an adult to be with them.
