Tuesday 3rd February 2026

National Storytelling Week

National Storytelling Week 2026 is a celebration of oral storytelling, reading and writing for pleasure.

Today the year 5's took part in an online storytelling week workshop hosted by rapper and storyteller, Alim Kamara. Based on the theme 'Soundtrack your story', the project is designed to inspire a love of story creation through music and rhythm.

Schools across the nation all participated in creating a rap about superheroes with Alim. The year 5's also wrote their own 'I am' alphabet based on one of Alim's songs.
