Newsletter 08/05/2026

Well, we are here!

SATs begin on Monday and below is the breakdown of week.

Monday - Grammar, punctuation and spelling.
Tuesday – Reading.
Wednesday – Arithmetic (Paper 1), reasoning Paper2).
Thursday – Reasoning (Paper 3)
Friday – Trip to cinema.

All the children have worked exceptionally hard to get to this stage and they should be proud of themselves and you as parents/carers should be extremely proud of their endeavours.

This weekend is about having family time and time to chill to ensure that they will be ready and rearing to go on Monday and show us all the best that they can be.

Children to be at school at 8:45 prompt every day for registration, followed by a small breakfast (toast, fruit and drink) and then onto the assessment process.

Friday is cinema day and a time to chill and enjoy a day after all of their hard work.

If not already paid for the cinema, please pay early next week. The Parent pay process is also used to is to give permission to go on the trip.

Have a great weekend.

Mr Baker
