ATTENDANCE POLICY

SEPTEMBER 2026

Date Policy Written and Agreed by Governors:	Date of last review:	Date of next review:
September 2024	September 2025	September 2027

1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on Working together to improve school attendance: July 2026, through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

We follow the Ofsted framework guidance on school attendance, we 'listen, understand, empathise and support – but do not tolerate' poor attendance. If there are problems which affect a pupil's attendance we investigate, identify and work in partnership with parents and pupils to resolve those problems as quickly and efficiently as possible. We adopt a clearly focused approach aimed at returning the pupil to full attendance at all times. Our attendance policy takes into account for the specific needs of certain pupils and pupil cohorts.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024) and school attendance parental responsibility measures. The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the Education Act 1996
- Part 3 of the Education Act 2002
- Part 7 of the Education and Inspections Act 2006
- The School Attendance (Pupil Registration) (England) Regulations 2024
- The Education (Penalty Notices) (England) (Amendment) Regulations 2013

It also refers to:

- School census guidance
- Keeping Children Safe in Education
- Mental health issues affecting a pupil's attendance: guidance for schools

- The attendance officer is Emma O'rourke-Jones and can be contacted via A3152@telford.gov.uk

3.5 Class teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office at 9am and after lunch.

3.6 School admin staff

School admin staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the pastoral lead where appropriate, in order to provide them with more detailed support on attendance

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)
- Parents are expected to:
- Make sure their child attends every day on time
- Call the school to report their child's absence before 9am on the day of the absence and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Seek support, where necessary, for maintaining good attendance, by contacting Marie Larkin (pastoral lead), who can be contacted via 01952 388188

3.8 Pupils

Pupils are expected to attend school every day, on time.

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present

- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- For pupils of compulsory school age: Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 9.00 am and ends at 15.20.

Pupils must arrive in school by 8.50 on each school day.

The register for the first session will be taken at 09.00am and will be kept open until 09.30am, although children will be recorded as Late (L) after 9:00am, and the U code will apply after 9:30am. The register for the second session will be taken after lunch.

4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9am or as soon as practically possible by calling the school admin staff (see also section 7) on 01952 388188.

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment and provides evidence e.g. appointment letter/card/message.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may carry out a home visit.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels at Parent Meetings or sooner if absence is a concern.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

It is only the Headteacher (or delegated member of School Staff) who has the discretion to authorise any request for leave in term time and it is also they that decide the duration of that leave. Parents must submit a request for leave in term time to the school, allowing ample time for consideration to be given. Any circumstances that parents wish to be considered should be included in the request. Holidays should not be booked before permission is granted. The legislation does not allow for any school to adopt a blanket ban, all requests for leave in term time will be considered to determine if there are exceptional circumstances and parents must be notified of that decision.

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the 2024 school attendance regulations. These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as 'one off' events that are completely unavoidable and absolutely necessary.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible from the school office. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)
- Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):
- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience

- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

In July 2026 the DfE reviewed and amended the 'Working Together to Improve School Attendance' statutory guidance. This guidance sits alongside the 'National Framework for Penalty Notices' which the Government introduced in August 2024 and 'The School Attendance (Pupil Registration) (England) Regulations 2024' and the Education (Penalty Notices) (England) Regulations 2007.

In Telford & Wrekin it is the delegated responsibility of the Attendance Support Team to issues Penalty Notices following referrals from schools, and only they can issue Penalty Notices relating to school absence.

The government introduced changes in legislation from August 2024 that parents need to be aware of:

- If your child has 10 sessions of unauthorised absence in a 10 school week rolling period, you may be issued with a Penalty Notice. These 10 sessions may include any unauthorised absence, including leave in term time and sessions do not have to be consecutive.

- If in an individual case the local authority believes a Penalty Notice would be appropriate, they retain the discretion to issue one before the threshold is met, so for eight sessions of unauthorised absence. This might apply for example, when parent(s) are deliberately or purposefully avoiding the national threshold by taking several term time holidays below threshold, or for repeated absence for events such as birthdays and taking their child out of school, or when there are only four pupil days in school and the fifth day is for example a PD day or bank holiday

- Penalty Notices increased to £160 from August 2024. This can be reduced to £80 but only for the first Penalty Notice issued, if paid within 21 days – this reduction does not apply to any subsequent Penalty Notice.

- Any 2nd Penalty Notice, to the same parent for the same child, issued within three years of the date of the first Penalty Notice will be charged at a flat rate of £160

- A third Penalty Notice will not be issued within a three-year rolling period, to the same parent for the unauthorised absence of the same child, - alternative action or legal measures will be utilised for subsequent offences.

- **Exclusion Penalty Notices:** Parents have a legal responsibility to ensure their child is not in a public space during school hours during the first 5 days of a suspension or permanent exclusion. Exclusion Penalty Notices differ to the other Penalty Notices with the fine charged at £60 if paid within 21 days and £120 if paid within 22-28 days. Failure to pay the PN will mean the case will be forwarded for legal action.

- Penalty notices are intended to prevent the need for court action and should only be used where it is deemed likely to change parental behaviour and support to secure regular attendance has been provided and has not worked or been engaged with, or would not have been appropriate in the circumstances of the offence (e.g. as is usually the case for an unauthorised holiday in term time).

- In some circumstances a ‘Notice to Improve’ may be issued – However, a Notice to Improve will only be used in cases where support is appropriate. They will not be issued in cases of unauthorised leave in term time for holidays, where information for parents is included in schools’ attendance policy and on school’s website, or a warning by the school that a Penalty Notice could be issued if unauthorised leave in term time is taken will suffice.

‘Parents should always apply to the Headteacher for any request for leave in term time by completing a request form available from the school. (DfE guidance states schools should not authorise leave retrospectively so any leave in term time taken without a request being submitted will be unauthorised absence)’.

In developing and publishing the National Framework, the Government renewed appeals to parents not to take their children out of school during term time. The Governors and Headteacher of this school support this initiative. The legislation does not allow for blanket bans, therefore all requests for leave in term time will be considered. However, in line with the Education (Penalty Notices) (England) Regulations 2007, The School Attendance (Pupil Registration) (England) Regulations 2024, DfE guidance ‘Working Together to Improve School Attendance - July 2026, National Framework for Penalty Notices 2024 and local Code of Conduct, students will only be given permission to take leave in term time if there are exceptional circumstances. The DfE Guidance- Working Together to Improve School Attendance (amended July 2026) states that: Generally, the DfE does not consider the need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance. (Paragraph 37.)

Each application for leave in term time will be considered and if it is agreed and authorised the Headteacher will determine the duration of any leave. However, if the application is not agreed and the absence occurs the dates will be unauthorised. Parents will be notified of any decision in writing. This notification may be hand delivered directly to the parent, emailed to the registered email address of the parent held on school records or posted to the parents’ home address.

As a school we are asked to inform you that in line with Telford and Wrekin Council Policy, if your child is absent for 10 school sessions within a 10 week rolling period and that absence is unauthorised, you may be subject to a Penalty Notice fine, criteria is as detailed above.

6. Strategies for promoting attendance

John Fletcher of Madeley Primary School will promote excellent attendance. The school will reward the class with the highest attendance with additional playtime in a weekly 'Celebration Assembly' to raise the profile of the importance of attendance.

Pupils will be praised individually for excellent attendance and may be offered rewards for improvement in attendance.

We hold Mission Attendance focus weeks, whereby pupils are challenged to attend school every day. Of the achievers, names are randomly selected to celebrate with their parents within our Golden Award Assemblies at the end of each half term. We are mindful that we take individual circumstances into consideration, when looking at what 100% means for them. We also celebrate improved attendance with letters of gratitude to parents.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

We offer Early Help support with our pastoral team, alongside our Education Welfare officer, to support parents with pupils absent due to complex barriers to attendance.

7.2 Pupils absent due to mental or physical ill health or SEND

Our SENDCo/Inclusion Lead, along with our pastoral team will offer support to parents and pupils who are absent due to mental or physical ill health or SEND. We will seek external support if required.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Our SENDCo/Inclusion Lead, along with our pastoral team will offer support to parents and pupils who are returning to school after a lengthy or unavoidable absence.

8. Attendance monitoring

On a daily basis the school admin team, DSLs and class teachers will be looking for any concerns around pupil absence. These concerns will be followed up with phone calls, conversations, home visits as appropriate. The Educational Welfare Officer will support the school to follow up concerns as appropriate.

Half termly the admin team, senior leadership and Educational Welfare Officer will meet for a review of school attendance and identify individual actions as appropriate.

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers, and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
    - Discuss attendance and engagement at school

    - Listen, and understand barriers to attendance
    - Explain the help that is available
    - Explain the potential consequences of, and sanctions for, persistent and severe absence
    - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DFE is updates, and as a minimum annually by the Headteacher. At each review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:
