Newsletter 13/11/2026

Hope everyone is well,

In English we have using Tall4Writing to write a suspense text based on an extract form the chess game in in a Harry Potter book, which includes using ambitious vocabulary, personification and speech.

In reading, we are completing a number of comprehension tasks using our class book 'The Final Year 'a poetry book by Matt Goodfellow. Brushing up on our reading skills, finding information from the texts given about emotions and characteristic and traits of the characters in the book.

In maths, we have been learning about solving multi-operational problem- adding, subtracting up to 4-digit numbers, multiplying up to 4-digit by 2-digit numbers, division of up to 4-digit by 2-digits and are now moving on to fractions.

We have now started our topic on Geography – Biomes from around the world- finding out what a biome is, the different types of biomes and information about their climate, animal and plant live.

In Science we are looking at electrical circuits-what they are, what the consist of and how they are working including fault diagnosis.

<u>Homework</u>
Homework will be sent home every Friday and is on Century.

<u>PE</u>
We have PE on Wednesday and Friday. Well done to everyone who came to school in their PE kits this week!

Additional information.

The trip to Morrells Wood farm is in full swing (03/12/2026), please, if possible, donate some recourses to the creating of the children's wreath. A list has been sent out with the letter you received.

Have a wonderful weekend!

Mrs Wenlock and Mr Baker
